

4 CLUB SCRAMBLE**Saturday September 27, 2025****Canyon/Meadow****9:00 AM Tee Times**

Format: Two Man Team 4 Club Scramble Stroke Play. Pick your own partner or let the computer pick one for you. **Teams may elect to play from different tee boxes provided there is only one tee box difference between players, i.e. a player on the blue tee may have a partner on the white tee, white and silver etc..**

We anticipate that Black tees will be excluded for this tournament and that only blue, white and silver tees will be utilized. Each player will select four clubs and put them in his bag prior to teeing off and may not share clubs with his partner. Any team with more than four clubs per player or sharing of clubs will result in disqualification. Leave the other 10 clubs in your car or at home!

Both players tee off and select the ball that they wish to continue play with. Players must both play from within one club length of this position, no closer to the hole, however, the ball must remain in the ground conditions of the original ball (I.E. Ball in bunker must remain in the bunker, same with rough, penalty areas and closely mown areas). **On the green, one putter head length is used for placement.** Balls may be cleaned between shots. Play continues in this fashion until ball is holed. Record gross team score on the scorecard.

Flighting/Handicap: Flighting by combined team Course Handicap with balanced flights or Tee Box dependent upon roster makeup. To establish a team course handicap, the Low index will receive 35% of his course handicap. The high index will receive 15% of his course handicap as recommended by the USGA Rule 23 Appendix C.

Teeing Ground: See scorecard for each team's teeing ground.

Method to be used if a Player is missing: An individual missing a partner will preferably be paired with another member missing a partner. In the event there are no other individuals missing a partner, an individual can play two balls following the format described above until the ball is holed. The individual may choose not to hit a second shot at his sole discretion.

Recording Scores: Teams should exchange scorecards. Teams are to keep their own scores as well as act as a marker for the other team in your group. Keep the scores of the team you are marking for in the markers notes field at the top of the scorecard. **You also must record your start time (if it is different than what is shown on the scorecard) as well as your turn and finish times.** Marker and player must sign the card prior to turning it in at the scoring table. Gross scores must be recorded for each hole. Verify the score for each hole at the turn and at the end of the round. Scorecards must be returned to the scoring table immediately following the round. **The penalty for turning in an incomplete scorecard is disqualification.** Individual scores cannot be posted for this event.

Closest-to-the-Pin (CTP) Contests: Three par-three holes have individual competitions that pay \$50.00 each. A separate \$5.00 is included with registration for a fourth par-3 Glory Hole using a special measuring device. Measurement of CTP is from the flagstick to the front of the ball on the green.

Hole In One Contest: Included with Membership Registration.

Skins Game: A \$10 Basic Team Skins Game with two pots one for gross and one for net is included with registration. The field will be placed into one flight (team vs field), payout will be low gross and low net scores. A team may win both gross and net skins on the same hole.

Ties: Will be settled by a scorecard play-off as specified in the current USGA Rules of golf.

Hard Card/Local Rules: Rules can be found on the website at www.fhmgc.com. Abbreviated version, including drop zones, will appear on the back of the scorecards if not scan the QR Code on the front of the scorecard.
